

GTECHNIQ

PLATINUM LEATHER & VINYL PROTECTION

GTECHNIQ Platinum Leather Protection

GTechniq Platinum Leather Protection is ultra durable, stain resistant and offers significant abrasion resistance. GTechniq Platinum Leather Protection prevents dye transfer onto pale leather, typically preventing blue jeans marking cream leather in auto interiors.

GTECHNIQ Platinum Leather Protection

Smart Surface Science Protects Against:

- » Ink Stains
- » Liquid Spills
- » Food
- » Splitting & Cracking
- » Dye Transfer Stains

GTECHNIQ Platinum Vinyl Protection

GTechniq Platinum Vinyl Protection enhances the internal Vinyl surfaces including dash-boards, consoles, door panels, and other trims. GTechniq Platinum Vinyl Protection keeps the Vinyl surface looking new and fresh whilst protecting them from cracking, fading and stains.

GTECHNIQ Platinum Vinyl Protection

Smart Surface Science Protects Against:

- » Dulling and Fading
- » Harmful UV Rays
- » Splitting & Cracking
- » Liquid Spills
